

THE FLORAL DANCE

Boom boom boom boom
Boom boom boom boom

I thought I could hear the curious tone
Of the cornet, clarinet and big trombone
Fiddle, cello, big bass drum
Bassoon, flute and euphonium
Each one making the most of his chance
All together in the Floral Dance

Instrumental

Boom boom boom boom
Boom boom boom boom

And there was the band with the curious tone
Of the cornet, clarinet and big trombone
Fiddle, cello, big base drum
Bassoon, flute and euphonium
Each one making the most of his chance
All together with the floral dance

Dancing here, prancing there
Jigging, jogging ev'rywhere
Up and down, and around the town
Hurrah! For the Cornish Floral Dance
