

Monster Mash

Verse 1:

Well I was working in the lab, late one night
When my eyes beheld an eerie sight
My monster from its slab began to arise
And suddenly, to my surprise...

Chorus:

(He did the mash) He did the monster mash!
(He did the mash) It was a graveyard smash!
(He did the mash) It caught on in a flash!
(He did the mash) It's called the monster mash!

Verse 2:

The bats were hanging in the castle eaves
In the master bedroom where the vampires sleep
The Ghouls all came from their earthly abode
To get a jolt from my electrode!

Repeat Chorus

Verse 3:

The zombies were having fun, the party had just begun
The guest included the mummy, too, and Dracula, and his little baby boy...

Repeat Chorus

Verse 4:

Now the scene was rocking over digging sounds
Egor was back with the baying hound
The caufin bangers were about to arrive
With the local group, the Beach Boy Five!

Repeat Chorus
