I'm a Believer (Ervin)

I thought love was only true in fairytales (bang/stamp x 4!)

Meant for someone else but not for me (bang/stamp x 4!)

Love was out to get me (do do nn-do!)

That's the way it seemed (do do nn-do!)

Disappointment haunted all my dreams

CHORUS:

Then I saw her face (do do do do!)

Now I'm a believer (do do do do!)

Not a trace (do do do do!)

Of doubt in my mind (do do do do!)

I'm in love ooooooh I'm a believer, I couldn't leave her if I tried

I thought love was more or less a givin' thing (bang/stamp x 4!)

Seems the more I gave the less I got (bang/stamp x 4!)

What's the use in trying? (do do nn-do!)

All you get is pain (do do nn-do!)

When I needed sunshine I got rain

Repeat Chorus

Love was out to get me (do do nn-do!)

Now that's the way it seemed (do do nn-do!)

Disappointment haunted all my dreams

Repeat Chorus

Folsom Prison Blues (Catherine)

I hear the train a comin'
It's rolling round the bend
And I ain't seen the sunshine since I don't know when
I'm stuck in Folsom prison, and time keeps draggin' on
But that train keeps a rollin' on down to San Antone

When I was just a baby, my mama told me
"Son, always be a good boy, don't ever play with guns"
But I shot a man in Reno just to watch him die
When I hear that whistle blowin', I hang my head and cry

I bet there's rich folks eating in a fancy dining car
They're probably drinkin' coffee and smoking big cigars
Well I know I had it coming
I know I can't be free
But those people keep on movin'
And that's what tortures me

Well if they freed me from this prison
If that railroad train was mine
I bet I'd move it on a little farther down the line
Far from Folsom prison, that's where I want to stay
And I'd let that lonesome whistle blow my blues away

I hear the train a comin'
It's rolling round the bend
And I ain't seen the sunshine since I don't know when
I'm stuck in Folsom prison, and time keeps draggin' on
But that train keeps a rollin' on down to San Antone
But that train keeps a rollin' on down to San Antone

RAWHIDE (Georgina and Les)

Instrumental Intro

Rollin' Rollin' Rollin' (x3) Rawhide !

Rollin' Rollin' Rollin', though streams are swollen,
Keep them doggies rollin' Rawhide !
Rain and wind and weather, hell bent for leather,
Wishin' my gal was by my side.
All the things I'm missin', good viddles, love and kissin',
Are waitin' at the end of my ride.

CHORUS

Move em' on, head em' up, head em' up, move em' on

Move em' on, head em' up, Rawhide !

Cut em' out, ride em' in, ride em' in, cut em' out

Cut em' out, ride em' in, Rawhide !

Keep movin', movin', movin', though they're dissapprovin'
Keep them doggies movin', Rawhide !
Don't try to understand them, just rope, throw and brand em',
Soon we'll be livin' high and wide.
My heart's calculatin', my true love will be waitin',
Be waitin' at the end of my ride.

Repeat Chorus

LET YOUR LOVE FLOW (Georgina and Les)

There's a reason for the sunshiny sky
There's a reason why I'm feeling so high
Must be the season when that love light shines all around us

So let that feeling grab you deep inside
And send you reeling where your love can't hide
And then go stealing through the moonlit night with your lover

Just let your love flow like a mountain stream
And let your love grow with the smallest of dreams
And let your love show and you'll know that I mean, it's the season

Let your love fly like a bird on the wind
And let your love bind you to all living things
And let your love shine and you'll know what I mean
That's the reason

There's a reason for the warm sweet nights
And there's a reason for the candle lights
Must be the season when those love lights shine all around us

So let that wonder take you into space
And lay you under its loving embrace
Just feel the thunder as it warms your face and you can't hold back

Just let your love flow like a mountain stream
And let your love grow with the smallest of dreams
And let your love show and you'll know what I mean, it's the season

Let your love fly like a bird on the wind
And let your love bind you to all living things
And let your love shine and you'll know what I mean
That's the reason

REPEAT LAST TWO VERSES AND FADE TO FINISH

Bring Me Sunshine (Tina)

Bring me sunshine in your smile
Bring me laughter all the while
In this world where we live
There should be more happiness
So much joy you can give
To each brand new bright tomorrow

Make me happy through the years
Never bring me any tears
Let your arms be as warm as the sun from up above
Bring me fun, bring me sunshine, bring me love!

You've Got a Friend in Me (Tina)

You've got a friend in me, you've got a friend in me
When the road looks rough ahead
And you're miles and you're miles from your nice warm bed
You just remember what your old pal said, you've got a friend in me
You've got a friend in me

You've got a friend in me, you've got a friend in me
You got troubles well I got them too
There isn't anything I wouldn't do for you
We stick together we can see it through 'cos you've got a friend in me
You've got a friend in me

And as the years go by, our friendship will never die
You're gonna see it's our des-tin-y
You've got a friend in me, you've got a friend in me
You've got a friend in me

Reserve Songs if time!

LILY THE PINK (Amanda and David)

Chorus:

**We'll drink a drink a drink to Lily the Pink the pink the pink
The saviour of the human race
For she invented medicinal compound
Most efficacious in every case**

Dominic cummings had many shortcomings
He drove for miles to test his eyes
And so they gave him medicinal compound
(but it couldn't cure his lies)

Repeat Chorus

Dear old Bo-Jo, he lost his mo-jo, he could not make up his mind
And so they gave him medicinal compound
(I bet he wants to hit rewind!)

Repeat Chorus

I've got a notion, they've found a potion
So the future's not so bleak
We'll all be given medicinal compound coronavirus will retreat!

Repeat Chorus

Oom Pah Pah (from Oliver!) (Ervin)

V1: There's a little ditty they're singin' in the city,
Especially when they've been on the gin or the beer.
If you've got the patience, our own imaginations
Will tell you just exactly what you want to hear

**Chorus 1: Oom-pah-pah! Oom-pah-pah! That's how it goes,
Oom-pah-pah! Oom-pah-pah! Ev'ryone knows
They all suppose what they want to sup-pose
When they hear oom-pah-pah!**

V2: Mister Percy Snodgrass would often have the odd glass
But never when he thought anybody could see.
Secretly he'd buy it and drink it on the quiet,
And dream he was an Earl wiv' a girl on each knee!

**Chorus 2: Oom-pah-pah! Oom-pah-pah! That's how it goes,
Oom-pah-pah! Oom-pah-pah! Ev'ryone knows
What is the cause of his red shiny nose?
Could it be oom-pah-pah?**

V3: Pretty little Sally goes walkin' down the alley,
Displays her pretty ankles for all of the men.
They could see her garter but not for free and gratis
An inch or two and then she knows when to say when!

**Chorus 3: Oom-pah-pah! Oom-pah-pah! That's how it goes,
Oom-pah-pah! Oom-pah-pah! Ev'ryone knows
Whether it's hidden, or whether it shows
It's the same, oom-pah-pah!**

V4: She was from the country but now she's up a gum-tree
She let a feller feed 'er, and lead 'er a-long.
What's the good of cryin'? She's made a bed to lie in.
She's glad to bring a coin in,
And join in this song!

**Chorus 4: Oom-pah-pah! Oom-pah-pah! That's how it goes,
Oom-pah-pah! Oom-pah-pah! Ev'ryone knows
She is no longer the same blushin' ro _____ se !
Ever since OOOMM!-pah-pah!**
