Series 2, Week 1: 26th February 2021

Blueberry Hill (Ervin)

Verse 1: I found my thrill, on Blueberry Hill, on Blueberry Hill
When I found you

Verse 2: The moon stood still, on Blueberry Hill, it lingered until
My dreams came true

Chorus: The wind in the willow played love's sweet melody
But all of those vows you made were never to be

Verse 3: Though we're apart, you're part of me still
For you were my thrill on Blueberry Hill
Repeat chorus and Verse 3

Green Green Grass of Home (Jane and Brian)

The old home town looks the same as I step down from the train
And there to meet me is my mama and papa
Down the road I look and there runs Mary, hair of gold and lips like cherries
It's good to touch the green, green grass of home
Yes, they'll all come to meet me, arms reaching, smiling sweetly
It's good to touch the green, green grass of home

The old house is still standing, though the paint is cracked and dry
And there's that old oak tree that I used to play on
Down the lane I walk and with my sweet Mary, hair of gold and lips like cherries
It's good to touch the green, green grass of home

Then I awake and look around me at the four gray walls that surround me
And I realize, yes, I was only dreaming
For there's a guard and there's a sad old padre
Arm and arm we'll walk at daybreak
Again I'll touch the green, green grass of home
Yes, they'll all come to see me in the shade of that old oak tree
As they lay me 'neath the green, green grass of home

Puff the Magic Dragon (Amanda and David)

Puff, the magic dragon lived by the sea
And frolicked in the autumn mist in a land called Honahlee
Little Jackie paper loved that rascal Puff
And brought him strings and sealing wax
And other fancy stuff

CHORUS:

***Puff, the magic dragon lived by the sea
And frolicked in the autumn mist in a land called Honahlee
Puff, the magic dragon lived by the sea
And frolicked in the autumn mist in a land called Honahlee***

Together they would travel on a boat with billowed sail
Jackie kept a lookout perched on puff's gigantic tail
Noble kings and princes would bow whene'er they came
Pirate ships would lower their flag
When Puff roared out his name

Repeat Chorus

A dragon lives forever but not so little boys
Painted wings and giant rings
Make way for other toys
One grey night it happened
Jackie Paper came no more
And puff that mighty dragon, he ceased his fearless roar

Repeat Chorus

His head was bent in sorrow, green scales fell like rain
Puff no longer went to play along the cherry lane
Without his life-long friend, puff could not be brave
So Puff that mighty dragon sadly slipped into his cave

Repeat Chorus

Love is like a butterfly (Tina) Key: D

Chorus 1:

Love is like a butterfly as soft and gentle as a sigh
The multicolored moods of love are like its satin wings
Love makes your heart feel strange inside
It flutters like soft wings in flight
Love is like a butterfly, a rare and gentle thing

Verse 1:

I feel it when you're with me, it happens when you kiss me
That rare and gentle feeling that I feel inside
Your touch is soft and gentle, your kiss is warm and tender
Whenever I am with you I think of butterflies

Chorus 2:

Love is like a butterfly (or 'Love is like a butterfly, as soft and gentle as a sigh')

The multi-colored moods of love are like its satin wings
Love makes your heart feel strange inside, it flutters like soft wings in flight
Love is like a butterfly, a rare and gentle thing

Verse 2:

Your laughter brings me sunshine, everyday is springtime
And I am only happy when you are by my side
How precious is this love we share, how very precious, sweet and rare
Together we belong like daffodils and butterflies

Repeat Chorus 2 to end

Kiss Me Honey Honey Kiss Me (Gina and Les)

Kiss me, honey, honey, kiss me
Thrill me, honey, honey, thrill me
Don't care even if I blow my top
But, honey, honey, (AH HAH) don't stop

I'd like to play a little game with you
A little game especially made for two
If you come close then I will show you how
Closer, closer, now
Kiss me, honey, honey, kiss me
Thrill me, honey, honey, thrill me
Don't care even if I blow my top
But, honey, honey, (AH HAH) don't stop

We've never played this little game before
If you relax then you'll enjoy it more
Just settle down and let me teach you how
Closer, closer, now
Kiss me, honey, honey, kiss me
Thrill me, honey, honey, thrill me
Don't care even if I blow my top
But, honey, honey, (AH HAH) don't stop

You kiss so well my lips begin to burn
And I can tell I've got a lot to learn
So hold me close and darling show me how
Closer, closer, now
Kiss me, honey, honey, kiss me
Thrill me, honey, honey, thrill me
Don't care even if I blow my top
But, honey, honey, (AH HAH) don't stop

Delilah (Ervin)

I saw the light on the night that I passed by her window (*wa-a-a-oh-oh-oh!*)

I saw the flickering shadows of love on her blind (*wa-a-a-oh-oh-oh!*)

She was my woman ...

As she deceived me I watched, and went out of my mind

My, my, my, Delilah (*diddle-iddle-iddle-iddle-oo!*)

Why, why, why, Delilah? (*diddle-iddle-iddle-iddle-oo!*)

I could see that girl was no good for me

But I was lost like a slave that no one could free

At break of day when that man drove away I was waiting (*wa-a-a-oh-oh-oh!*)

I crossed the street to her house and she opened the door (*wa-a-a-oh-oh-oh!*)

She stood there laughing (*HA HA HA HA!*)

I felt the knife in my hand, and she laughed no mo-ore..

My, my, my, Delilah (*diddle-iddle-iddle-iddle-oo!*)

Why, why, why, Delilah? (*diddle-iddle-iddle-iddle-oo!*)

So before they come to break down the door

Forgive me, Delilah, I just couldn't take any more

Da da wa-a-a-oh-oh-oh

Da da wa-a-a-oh-oh-oh

She stood there laughing

I felt the knife in my hand, and she laughed no mo-ore

My, my, my, Delilah (*diddle-iddle-iddle-iddle-oo!*)

Why, why, why, Delilah (*diddle-iddle-iddle-iddle-oo!*)

So before they come to break down the door

Forgive me, Delilah, I just couldn't take any more

Forgive me, Delilah, I just couldn't take any mo-oo-ore!

Da-da-dah!

My Little Daffodil (Gina and Les)

My little daffodil has the sweetest smile,
Dear little daffodil won't you stay awhile,
Come with me where moonbeams paint the sky,
And you and I might linger in the sweet by and by oh...

Dear little daffodil with your eyes so blue,
Oh little daffodil you're a dream come true,
You and I will settle down in a cottage built for two,
Dear little daffodil I love you.

My little daffodil has the sweetest smile,
Dear little daffodil won't you stay awhile,
You and I will settle down in a cottage built for two,

Dear little daffodil ... Sweet little daffodil ... My little daffodil ... I love you.

Once I had a Secret Love (Tina)

Once I had a secret love
That lived within the heart of me
All too soon my secret love
Became impatient to be free

So I told a friendly star
The way that dreamers often do
Just how wonderful you are
And why I'm so in love with you

Now I shout it from the highest hills
Even told the golden daffodils
At last, my heart's an open door
And my secret love's no secret anymore

Now I shout it from the highest hills
Even told the golden daffodils
At last, my heart's an open door
And my secret love's no secret anymore

Those were the days (Tina/Ervin)

Once upon a time there was a tavern, where we used to raise a glass or two
Remember how we laughed away the hours
And dreamed of all the great things we would do...

Chorus:

**Those were the days, my friend, we thought they'd never end
We'd sing and dance for ever and a day
We'd live the life we choose, we'd fight and never loose
For we were young, and sure to have our way, *la la la la la la la etc*
Those were the days, oh yes those were the days!**

Then the busy years went rushing by us, we lost our starry notions on the way
If by chance I'd see you in the tavern, we'd smile at one another, and we'd say ...

Repeat chorus

Just tonight I stood before the tavern. Nothing seemed the way it used to be.
In the glass I saw a strange reflection, was that lonley woman really me?

Repeat chorus

Through the door there came familiar laughter
I saw your face and heard you call my name

Oh, my friend, we're older, but no wiser, for in our hearts the dreams are still the same..

Repeat chorus
