

Isolation Doodle Ditty

By Amanda Crofts (sung to the tune of Yankee Doodle Dandy!)

Verse 1:

Here we are in isolation, here for all our sake
Singing songs from isolation, we are Playing for Cake!

Chorus:

**Yankee Doodle keep it up, Yankee Doodle Dandy
Stick a feather in your hat and pour another brandy!**

Verse 2:

Coronavirus came to town, spreading through the nation
Flying in from Wuhan City... what a situation!

REPEAT CHORUS

Verse 3:

And now we have to stay at home, locked inside our household
Hope they let us out again, before we get too old !

REPEAT CHORUS

Verse 4:

Keep smiling as we sing this song, keeping ourselves cheerful
Smile with us and sing along, there's no need to be fearful

REPEAT CHORUS
