

Blue Moon

Intro (everyone to start and then as backing part to verses only):

Boo ba dah, boo ba dah, boo ba dah boo
Boo ba dah, boo ba dah, boo ba dah boo
Boo ba dah, boo ba dah, boo ba dah boo
Ooooh, wah wah wah wa-ah

Verse 1:

Blue moon, you saw me standing alone
Without a dream in my heart
Without a love of my own

Verse 2:

Blue moon, you knew just what I was there for
You heard me saying a prayer for
Someone I really could care for

Bridge (everyone sings):

*Then there suddenly appeared before me
The only one my arms will ever hold
I heard somebody whisper adore me
And when I looked back the moon had turned to gold*

Verse 3 (sing twice!):

Blue Moon, now I'm no longer alone
Without a dream in my heart
Without a love of my own
