Five foot two, eyes of blue

D7  
Oh what those five feet could do

F C F  
Has anybody seen my gal?

F A7  
Turned up nose, turned down nose

D7  
Flapper, yes sir, one of those

F C F  
Has anybody seen my gal?

A7 D7  
Now if you run into a five-foot-two all covered in fur

G  
Diamond ring and all those things

C  
Bet your life it isn't her

F A7 D7  
But could you love, could she woo, could she could she could, could she coo

F C F  
Has anybody seen my gal?

F C F  
Has anybody seen my gal?
