

# Day-O - Halloween!

*Day-o, d-day-ayee-o, daylight comes and the spook's gone home*

*Day-o, d-day-dayee-o, daylight comes and the spook's gone home*

Been up all night as I had a fright!

*Daylight come and the spook's gone home*

Got no sleep 'til the morning light!

*Daylight come and the spook's gone home*

Come Mr Ghoully Man, let me get some shut-eye

*Daylight come and the spook's gone home*

Take your wailing and out the window, fly

*Daylight come and the spook's gone home*

6 ghosts, 7 ghosts, 8 ghosts, SPOOK!

*Daylight come and the spook's gone home*

6 ghosts, 7 ghosts, 8 ghosts, SPOOK!

*Daylight come and the spook's gone home*

*Day, d-day- dayeeyo, daylight comes and the spook's gone home*

*Day, d-da-day, d-da-day, d-da-dayo, daylight comes and the spook's gone home*

Late last night I heard a wailing

*Daylight come and the spook's gone home*

Ghosts and ghouls, were my senses failing?

*Daylight come and the spook's gone home*

Them spooks they gave me such a fright!

*Daylight come and the spook's gone home*

Was like The Crown on a Friday night!

*Daylight come and the spook's gone home*

6 ghosts, 7 ghosts, 8 ghosts, SPOOK!

*Daylight come and the spook's gone home*

6 ghosts, 7 ghosts, 8 ghosts, SPOOK!

*Daylight come and the spook's gone home*

***Day, d-day- dayeeyo, daylight comes and the spook's gone home***

***Day, d-day-day, d-day-day, d-day-dayo, daylight comes and the spook's gone home***

A full moon used to mean romance for me

***Daylight come and the spook's gone home***

But not much since my wife's lycanthropy

***Daylight come and the spook's gone home***

All these skeletons, they're driving me bananas

***Daylight come and the spook's gone home***

Rattling about when I'm in me pyjamas

***Daylight come and the spook's gone home***

***Day, d-day- dayeeyo, daylight comes and the spook's gone home***

***Day, d-day-day, d-day-day, d-day-dayo, daylight comes and the spook's gone home***
