

My Bonnie lies over the ocean

My Bonnie lies over the ocean
My Bonnie lies over the sea
My Bonnie lies over the ocean
Oh, bring back my Bonnie to me...

CHORUS

**Bring back, bring back
Oh, bring back my Bonnie to me, to me
Bring back, bring back
Oh, bring back my Bonnie to me**

The winds have blown over the ocean
The winds have blown the sea
The winds have blown the ocean
and brought back my bonnie to me

CHORUS
