

The Laughing Policeman

I know a fat old policeman, he's always on our street
A fat and jolly red-faced man he really is a treat
He's too kind for a policeman, he's never known to frown
And everybody says he is the happiest man in town!

CHORUS:-

Oh ho ho ho ho ho ha ha ha ha ha
Ho ho ho ho ho ho ha ha ha ha ha
Oh ho ho ho ho ho ha ha ha ha ha
Ho ho ho ho ho ho ha ha ha ha ha

He laughs upon point duty, he laughs upon his beat
He laughs at everybody when he's walking in the street
He never can stop laughing, he says he's never tried
But once he did arrest a man and laughed until he cried!

CHORUS

His jolly face is wrinkled and then he shuts his eyes
He opened his great big mouth, it was a wonderous size!
He said "I must arrest you!", he didn't know what for
And then he started laughing until he cracked his fat old jaw!

CHORUS

So if you chance to meet him while walking 'round the town
Shake him by his fat old hand and give him half a crown
His eyes will beam and sparkle he'll gurgle with delight
And then you'll start him laughing with all his blessed might!
