*close - but original has more shades!!*

Every morning, every evening, ain't we got fun  
Not much money, Oh but honey, ain't we got fun  
The rent's unpaid, dear, and we haven't a bus  
But smiles were made, dear, for people like us  
In the winter in the Summer, don't we have fun  
Times are bum and getting bummer, still we have fun  
There's nothing surer - the rich get rich and the poor get poorer  
In the meantime, in the between time, ain't we got fun.

In the meantime, in the between time, ain't we got fun.

Every summer, every winter, don't we have fun  
Twins and cares, dear come in pairs, dear  
Still we have fun.  
When I first saw you I had but one thought  
And then you chased me, until you were caught  
From the day I whispered may I please hold your hand  
You've progressed and I'm impressed and I think your grand  
I'm not too cle-ver but I'd like to say those words forever  
Thank you kind Sir, I wont mind Sir, ain't we got fun
