

“A LITTLE BIT MORE FUN”
Sung to an Irish Folk Tune, by Amanda Crofts.

VERSE 1:-
Now Playing for Cake is out on Zoom
Singing from the living room.
Sing with us and shout encore
We're gonna sing just a little bit more!

CHORUS:-
A little bit more a little bit more
Not very much just a little bit more!
A little bit more a little bit more
Not very much just a little bit more!

VERSE 2:-
And when the neighbours come around
Let them hear that singing sound.
When they come rapping on the door
Let's all sing just a little bit more!
CHORUS

VERSE 3:-
We don't care there's no more beer
Raise a smile and sing on here.
Hang some bunting on your door
We're gonna sing just a little bit more!
CHORUS

VERSE 4:-
Move your body to the tune
Sing your heart out to the moon
Louder than you've sung before
Push yourself just a little bit more!
CHORUS

VERSE 5:-
And now this song is nearly done
Hope you've found the singing fun.
Let me hear your voices soar
All we want is a little bit more!
CHORUS
