Jane & Brian, Angry Bees Key=(Em)

(A very silly song by the Krabbers/Mike Krabber)

I was knocked off of my bike by a tractor filled with cheese
I cracked a rib and sprained my wrist and badly bruised my knees
I cracked a rib and sprained my wrist and I badly bruised my knees
I bruised my knees, I bruised my knees
I bruised my knees, I bruised my knees Hey! Hey!

The doctor said you've bashed your head Do this for me please
Go straight home and cool your dome with a bag of frozen peas
Why don't you go straight home and cool your dome
With a bag of frozen peas frozen peas frozen peas frozen peas frozen peas

Hey! Hey! La lala la lala la lala la lala la lala la lala la la la, Hey! Hey!

I did my best to get some rest at my cabin in the trees
Until my life was ruined by a swarm of angry bees
Until my life was ruined by a swarm of angry bees
Angry bees, angry bees, angry bees, angry bees ... Hey! Hey!

The moral of this story please listen carefully
Ride your bike with caution or you'll end up just like me
Ride your bike with caution or you'll end up just like me
Hey! Hey! Hey!

Amanda & David, Messing about on the river Key=(D)

When the weather is fine then you know it's a sign for messing about on the river
If you take my advice there's nothing so nice As messing about on the river
There are long boats and short boats and all kinds of craft
Cruisers and keel boats and some with no draught
So take off your coat and hop in a boat, go messing about on the river!

There are boats made from kits that reach you in bits, for messing about on the river
Or you might want to skull in a glass-fibred hull, just messing about on the river
There are tillers and rudders and anchors and cleats
And ropes that are sometimes referred to as sheets
With the wind in your face there's no finer place, than messing about on the river

There are skippers and mates and rowing club eights Just messing about on the river
There are pontoons and trots and all sorts of knots for messing about on the river
With inboards and outboards and dinghies you sail
The first thing you learn is the right way to bail
In a one-seat canoe you're the skipper and crew, just messing about on the river!

There are bridges and locks and moorings and docks when messing about on the river
There's a whirlpool and weir that you mustn't go near when messing about on the river
There are backwater places all hidden from view
And quaint little islands just waiting for you
So I'll leave you right now to cast off your bow, to go messing about on the river!

Gina & Les, Lady Madonna Key=(E)

By the Beatles! (See what we did there!)

Lady Madonna, children at your feet, wonder how you manage to make ends meet?
Who finds the money when you pay the rent, did you think that money was heaven sent?

Friday night arrives without a suitcase, Sunday morning creeps in like a nun
Monday's child has learned to tie his bootlace, see how they... run!

Lady Madonna, baby at your breast Wonder how you manage to feed the rest

Ba-ba-ba bah ba ba-ba bah ba-bah ba-bah (x3) ... See how they...run!

Lady Madonna, lying on the bed Listen to the music playing in your head

Tuesday afternoon is never ending, Wednesday morning papers didn't come

Thursday night your stockings needed mending, See how they...run

Lady Madonna, children at your feet, wonder how you manage to make ends meet?

Tina, Love is like a butterfly, Key=(D)

Chorus:

Love is like a butterfly as soft and gentle as a sigh
The multi-coloured moods of love are like its satin wings
Love makes your heart feel strange inside it flutters like soft wings in flight
Love is like a butterfly, a rare and gentle thing

Verse 1:

I feel it when you're with me, it happens when you kiss me
That rare and gentle feeling that I feel inside
Your touch is soft and gentle, your kiss is warm and tender
Whenever I am with you I think of butterflies *Chorus*

Verse 2:

Your laughter brings me sunshine, everyday is springtime
And I am only happy when you are by my side
How precious is this love we share, how very precious, sweet and rare Together we belong
like daffodils and butterflies *Repeat Chorus to end*

Jane & Brian, **Fly** me to the moon, (see what we did there?) Key=(Dm)

Fly me to the moon, and let me play among the stars
Let me see what spring is like on Jupiter and Mars
In other words, hold my hand. In other words, baby kiss me.

Fill my heart with song, and let me sing forever more
You're all that I long for, all I worship and do a-dore.
In other words, please be true! In other words, I love you!

Fill my heart with song, and let me sing forever more
You are all I long for, all I worship and do a-dore.
In other words, please be true! In other words, I love you!

Gina & Les, The ugly bug ball. (Intro :- Inchworm) Key=(G)

Once a lonely caterpillar sat and cried, to a sympathetic beetle by his side,
I've got nobody to hug; I'm such an ugly bug.
Then a spider and a dragonfly replied, if you're serious and want to win a bride
Come along with us, to the glorious annual ugly bug ball.

CHORUS:

**Come on let's crawl, gotta crawl, gotta crawl,
To the ugly bug ball, to the ball, to the ball,
And a happy time we'll have there, one and all, at the ugly bug ball.**

While the crickets clicked their cricky melodies,
All the ants were fancy dancing with the fleas,
Then up from under the ground, the worms came squirming around.
Oh they danced until their legs were nearly lame,
Every little crawling creature you could name,
Everyone was glad, what a time they had, they were so happy they came

REPEAT CHORUS

Then our caterpillar saw a pretty queen
She was beautiful and yellow, black and green,
He said would you care to dance, their dancing led to romance,
Then she sat upon his caterpillar knee and he gave his caterpillar queen a squeeze.
Soon they'll honeymoon, build a big cocoon, thanks to the ugly bug ball.

REPEAT CHORUS x 2 to end

Tina, Let it Bee! Key=(C)

**When I find myself in times of trouble Mother Mary comes to me
speaking words of wisdom, let it be
And in my hour of darkness she is standing right in front of me
Speaking words of wisdom, let it be
Let it be, let it be, let it be, let it be, Whisper words of wisdom, let it be**

**And when the broken hearted people living in the world agree
There will be an answer, let it be
But though they may be parted There is still a chance that they will see There will
be an answer, let it be**

**Let it be, let it be, let it be, let it be There will be an answer, let it be
Let it be, let it be, let it be, let it be Whisper words of wisdom, let it be**

**And when the night is cloudy There is still a light that shines on me
Shine until tomorrow, let it be**

**I wake up to the sound of music, Mother Mary comes to me
Speaking words of wisdom, let it be**

Let it be, let it be, let it be, let it be Whisper words of wisdom, let it be

Amanda & David, Itsy bitsy spider, Key=(G)

(A story of bravery & perseverance in the insect world)

**The itsy bitsy spider climbed up the waterspout
Down came the rain and washed the spider out
Out came the sun and dried up all the rain
And the itsy bitsy spider climbed up the spout again**

**The itsy bitsy spider climbed up the kitchen wall
Swoosh! went the fan and made the spider fall
Off went the fan no longer did it blow
So the itsy bitsy spider back up the wall did go**

**The itsy bitsy spider Climbed up the yellow pail
In came a mouse and flicked her with his tail
Down fell the spider the mouse ran out the door
Then the itsy bitsy spider climbed up the pail once more**

**The itsy bitsy spider climbed up the rocking chair
Up jumped a cat and knocked her in the air
Down plopped the cat and when he was asleep
The itsy bitsy spider back up the chair did creep**

The itsy bitsy spider climbed up the maple tree
She slipped on some dew and landed next to me
Out came the sun and when the tree was dry
The itsy bitsy spider gave it one more try

The itsy bitsy spider climbed up without a stop
She spun a silky web right at the very top
She wove and she spun and when her web was done
The itsy bitsy spider rested in the sun
